**DOCUMENTATION:** U.S. citizens travelling to any destination outside of the United States will be required to present a valid U.S. passport. Passports must be valid for 6 months past the return date. Some countries require a visa for transit or entry. Passengers are responsible to ensure that they have all the proper documents for entry. All names on documents must match the legal name on your photo I.D., and travel document information must match tickets. Please check the State Department website at <https://travel.state.gov> for further information. Immunizations may also be required. Failure to comply with these regulations may result in denied boarding, denied entry, and/or government imposed fines. If you are a citizen of another country, there may be additional requirements. Check with the nearest consulate or embassy of the destination you are travelling to and find out the entry requirements for non-U.S. citizens. The Travel Company is not responsible for verifying that your documents are in order and up to date.

**INITIAL HERE** I assume and understand that there is a risk involved with my travel and my travel activities and/or excursions. I acknowledge that I was informed about my options but I declined the insurance.
